

Compliance & Legal

Chroma holds all required insurances and registrations. Copies of these can be provided upon request. All of Chroma's team of therapists hold current:

- Health and Care Professions Council registrations
- Safeguarding Level 3 or more (adults and children)
- Enhanced Online DBS checks
- Public liability & Malpractice insurances
- Data Protection training
- CSE Awareness training

In addition, Chroma uses a number of online systems for case management and safeguarding. These systems (iinsight and My Concern) are fully compliant with current legislation, including being/having:

- Permissions-based access controls
- Bidirectional encryption protocol TLS1.2
- ISO27001:2013 accreditation
- ICO registration
- Data held in our geographical location – "Safe Harbour"
